

HAMPTON HILL PARISH MAGAZINE.

HAMPTON HILL,

February 1st, 1920.

MY DEAR PEOPLE,

Another Lent will soon be here, special papers announcing the various services, &c. will be issued as usual. Great events are ahead of us, not only in the Church but in the State, and it behoves all Christian people to make it a matter of very earnest prayer that those in authority may be guided aright in the re-construction which is taking place.

The Enabling Bill, passed by a 300 majority in the House of Commons, has given the Church powers of self-government long wished for. I shall be calling a meeting of the congregation some day in February, when I hope to lay before you particulars as to these altered conditions.

As our Bishop has recently said "But when all is said and done, it is the spirit of man in which the secret of all reform really lies; the Hope of the future lies in a spiritual change. What we all want is a change of heart, a change of outlook, a new "mind," and the Church exists to secure that this new mind is the "Mind of Christ."

You will find elsewhere in this month's magazine suggestions for Thanksgiving and Intercessions, which I hope you will use in your private devotions; they can also be in our minds at Celebrations; it is a great bond to feel that we are all praying for the same objects, in addition to our own special and personal requests.

I am printing the final list of those whose names are to be inscribed on our War Memorial, I trust it is complete and correct. Miss Brewer has taken great pains to make it so, and we are all much indebted to her for her care in the matter.

I am sorry that we had to miss the Special Service for young people on January 25th, but Mr. Basey's illness, from which we are all glad to hear he is recovering, made it impossible to have the parade of the C.I.B. on that day; there will, however, be a Service in S. James, for the whole Battalion on Sunday, February 8th, at 3.45 p.m.

The Band of Hope members are having their "Xmas" treat on Saturday, February 7th, at 6 p.m. I am much indebted to those kind friends who have sent me donations towards the expenses.

I shall be glad to receive any letters for Hospitals, other than the Teddington Cottage Hospital, I have an ample supply of the latter.

Yours very truly,

R. COAD PRYOR.

Thanksgivings and Intercessions.

EPIPHANY & SEPTUAGESIMA.

LET US GIVE THANKS:

I.

For the great possibilities of the future;
 For the hope of the New Year;
 For all gifts of vision, and of zeal, and of willing service.

II.

For all tokens of goodwill among men;
 For all efforts to hasten the coming of the Kingdom.

III.

For the readiness shown by Parliament to help the Church in its desire and purpose to serve the nation more efficiently.

For the great interest shown by the members of the House of Commons in legislation concerning the Church;

For the good spirit shown in the discussion of that legislation in the House and in Committee.

Thanks be to Thee, O Lord.

LET US PRAY:

For the blessing and guidance of GOD for the diocese through another year;

For the Bishop and his Clergy, that they may have health and strength for their work both in body and soul;

That both by their life and teaching they may set forth Thy glory, and set forward the salvation of all men;

For all faithful people, that they rise to the greatness of their calling;

That they may recognise how great is the need of their prayers, their service, and their alms.

Parish News.

MISSIONARY WORKING PARTY.—The meetings were resumed on Friday, January 23rd, at Mrs. Kestin's. The Working Party has now begun sewing for the Sale at the end of the year, and the Committee are very anxious to make this a success. They would be very glad if members

of the congregation and others, who would like garments or other articles made, would give orders for the same either to Miss Brewer, the Secretary, or to Mrs. Anthony, who has kindly undertaken the cutting out and management of the work. On Friday, February 6th, the Working Party will meet at Eton Lodge, by kind invitation of Mrs. Mason. On Friday, February 20th, Mrs. Joseph has asked the Working Party to meet at "Rocdene," when there will be an address by a special speaker in connection with the Colonial and Continental Church Society.

BOYS' SCHOOL.—A very successful Concert on behalf of the Sports' Club, took place on Friday, December 19th. During the War the boys spent the money they usually gave to the Club, on buying new-laid eggs for the wounded soldiers at Hampton Court Hospital, for whom they collected well over 2,000 eggs. New cricket bats, etc. were badly wanted, and Mr. Russe very kindly organised this concert to raise the necessary funds. The programme consisted of recitations, songs, and two amusing sketches. There was a crowded room and a very appreciative audience. The result was a sum of £8, which was very satisfactory to all connected with the concert. In the summer of 1919, the boys again won the Teddington and District Cricket Shield.

Owing to pressure on space in the January Magazine, this notice unavoidably appears late.
